Tolerance

(from a quotation in Pres. Hadley's Lectures,
"Some Influences in Modern Philosophic
Thought," Yale University Press.)

(1909)

Slowly *mf*

How can I turn from an - y fire, or an - y man's hearth

7 *with more and more animation to the end.*

-stone? I know the long - ing and de-sire, I

crese. e più accel.

10 *ff*

know the long - ing and de - sire, that went to build my own!
